

Introduction to the 2014 Annual Report

Section 98 of the Community Charter requires the District of Barriere to prepare an annual report regarding financial and operational information.

This annual report includes a progress report respecting the previous year in relation to objectives and measures established for that year. The report also sets out current and future year objectives and measures. This results in a rolling three, and as of the new term of Council in 2014, now four-year reporting cycle for identifying our achievement of objectives for the previous year, and then setting objectives and measures for the current and following year.

Section 99 of the Community Charter requires that the Municipal Council annually consider, at a council meeting or other public meeting, the municipal annual report and any submissions or questions from the public.

We would like to "thank you" in advance for taking the time to review the District of Barriere's 2014 Annual Report. Comments and feedback regarding this report or any other items that pertain to the District of Barriere are welcomed and encouraged and may be directed to our Administration or Finance Departments by calling 250.672.9751 or by email at inquiry@barriere.ca.

2014 District of Barriere Annual Report

| Consolidated Financial Statements | 26 |

Council Strategic Plan

VISION

To nurture a safe, healthy and sustainable community through leadership that is inclusive and balanced.

MISSION

To provide municipal services that meet the growing needs and enrich the quality of life within our community.

VALUES

To conduct the business of the community with integrity, accountability and transparency.

Community Overview

Barriere, British Columbia is a growing, friendly and affordable community that currently boasts 1773 residents who enjoy an urban yet rural lifestyle. Barriere is located on the Yellowhead Highway, just 45 minutes north of Kamloops, BC. Barriere became a District Municipality on December 4, 2007. Barriere Council consists of the Mayor and six (6) Councillors. Local Government elections are now held every four years and the next election is scheduled for October 20, 2018.

Recreational opportunities are plentiful for enthusiasts of many activities including great fishing, spectacular hiking, canoeing and cross country skiing. Downhill skiing is very close at Sun Peaks Resort south of Barriere. Gentle walking and cycling trails are accessible from the town centre.

The North Thompson Fall Fair and Rodeo (NTFFR) has been held in the Barriere area every Labour Day weekend since 1950. The overall content and success of the Fair is fueled by hundreds of volunteer hours logged all year round to make this the largest single event in the North Thompson Valley. Recent statistics reveal almost 10,000 visitors over the three-day affair. There are many events including, but not limited to, exhibits, live music, a logging show, 4H judging, pony chariot racing, a full rodeo and heavy horse exhibitions. The primary focus, however, is on agriculture making the NTFFR the largest agricultural show in B.C.'s interior. The recent construction of the Agri-Plex building built in large part by community donations by the NTFFR, has enabled Barriere to welcome the *Provincial Winter Fair* and other highly anticipated events.

The Celebration of the Arts has grown into an annual event held in May or June of each year. It is ever-growing in popularity and the event showcases local artists in many mediums such as oil, water and acrylic painting, pottery, sculpting, glass work, quilting, weaving, photography, jewelry and First Nations skills in drum making, beading and pine needle basketry.

The year 2014 earmarked a special year for Barriere as its 100th Anniversary milestone! Many events and promotions took place to celebrate. As well, this year was Barriere's third year of participation in the *Communities in Bloom* program and was awarded 4 out of a possible 5 Blooms as well as the prestigious Heritage Conservation Award. The success of this outstanding achievement is credited to the dedication and hard work of so many resident volunteers that this community is fortunate to have.

Upgrading of the District of Barriere parks and trails are an ongoing objective for Council. Areas for leisure activities for our community residents and welcomed visitors are being improved and developed. The Barriere Bandshell hosted its third season of **Barriere Bandshell Fridays** showcasing many of the valley's incredible musical talent. The Bandshell will continue to host many local celebrations over the years where local talent and entertainment can bring individuals and families together to enjoy the festivities, create traditions and make lasting memories.

Message from the Mayor

One of the most notable changes was initiated by the local General Election that took place on November 15th, 2014. I am honored to have been given a change of seat by the residents of Barriere from Councillor, to Mayor.

I moved to Barriere in 1995 and the most impressive thing about Barriere to me was the community spirit. My husband, on the other hand, was more impressed with the golf course, however, he did do a lot of volunteer work here. I have always thought of Barriere and area as a "can do" community. I heard stories about how the volunteers made the ambulance service happen, how volunteers worked to get the medical center etc. That spirit has proven true in 2014 and I'm sure will be apparent in those who review this Annual Report. I truly believe if we, Council, Staff and Community continue to work together, we can make this town even more special.

The community has begun a new four years. I want everyone to remember that the wheels of Government grind slowly, but they do grind. We all want everything to happen immediately, especially in this technological age, but that is not always possible. For example: it was 2011 when Mike Fennell was Mayor, the District put in a grant application for a waste water reclamation project and here we are 4 years later with that project underway. There are a multitude of things that we, as a Council, will need to address: Policies, Bylaws, and the Louis Creek Industrial Park, just to name a few. Staff and Council must work together to ensure efficiency and transparency.

I would like to quote an amazing woman, Hazel McCallion (aka Hurricane Hazel) who was elected Mayor of Mississauga in 1978 and retired in 2014 at 93 years of age: "No politician has all the answers to all challenges. A lot of them have caused the public to lack confidence in people running for office. You don't promise things that you haven't got a chance of fulfilling. But some people buy it, unfortunately. How can you say when you get elected that you're going to keep the taxes down? I have never promised to cut taxes. All I have ever promised is to give value for the tax dollars."

Virginia Smith
Mayor, District of Barriere

Mayor & Councillors

L-R: Councillor Ward Stamer, Councillor Pat Paula, Councillor Amanda Sabyan, Mayor Virginia Smith, Councillor Donna Kibble, Councillor Al Fortin, and Councillor Mike Fennell

Our citizens are represented by an elected Council consisting of the Mayor and six Councillors. Council also meets to discuss civic matters in a more informal Committee structure. Members of the public join Council representatives on other Select Committees, as well.

Regular Council meetings are held at the District office at 7:00 pm on the first and third Monday of each month, unless otherwise advised.

Committee meetings are held throughout the year as needed.

Please visit <u>www.barriere.ca</u> for up to date meeting agendas and minutes.

2014 - Barriere's 100th Anniversary

Barriere is commonly referred to as the "Gateway to the North Thompson". The history of the name "Barriere" dates back to the early days of fur trading. French Canadian fur traders arrived in the area in the late 1800's. While following the trail along the North Thompson River, the traders came to the Barriere River which was in flood. The location was then called "La Barriere" due to the fact they could not go any further. The community was officially named in 1914 with the establishment of a Post Office. The CN Rail's main line through the valley was established in 1914 as well. Therefore, 2014 was proclaimed by Council as Barriere's 100th Anniversary! Plenty of activities and programs were enjoyed to celebrate this milestone year:

- Here Barriere Grew", composed and performed by a local musician to honor the 100th Anniversary, was used to create a music video that accompanied a Heritage Grant Application intended to fund a Splash Pad for Barriere.
- Barriere Family Fun Night & PJ Party hosted at "the Ridge" on February 8th that included a "Barriere Birthday Cake Contest" component.
- An amazing commemorative quilt is donated to the 100th Anniversary Committee from the Barriere Community Quilters.
- A Commemorative Button program was developed with a phased out unveiling of three collectable buttons with prize draws held on May 12th, September 30th and December 12th.
- February 10th the Post Office hosted a customer appreciation day tea to celebrate its 100th year in Barriere.
- February 10th families enjoyed a skating party at the multi-use court as well as were treated to hay rides and hot chocolate!
- ➤ A 30' banner was installed at the entrance to town on Barriere Town Road to commemorate the anniversary.
- > Smaller banners were also displayed outside the local Post Office and the Chamber of Commerce office for the year.
- ➤ Barriere's annual Canada Day Celebration included a special birthday party for Barriere too on July 1st! Held at the main ball field and field house grounds, events such as a traditional tea party under the willow tree, carriage rides, old time photo booth complete with costumes, traditional lawn games and contests, 100th anniversary songs and entertainment and more were enjoyed by many.
- In July, the Communities in Bloom (CiB) Committee hosted a tour for the CiB Judges with a special stop at the North Thompson Museum. In addition, a special component titled "Heritage in Bloom" was added to the program to commemorate the 100th Anniversary held at the Fall Fair Hall for the judges and public to enjoy. Barriere won the CiB Provincial Heritage Conservation Award!
- Prior to the start of the North Thompson Fall Fair & Rodeo Parade in September, the Legacy Project was unveiled. The 11' high art piece consisting of hundreds of personalized plaques honoring individuals, families, groups and businesses of the Valley, was installed on the side of the Bandshell.
- > The Grand Prize for the Commemorative Button Program was drawn in December with the winner enjoying a \$500 gift certificate from a local contractor.

Standing Committees

Committee of the Whole

A Committee of the Whole (C.O.W) comprises all members of Council. At the beginning of 2013, Council delegated administrative power to the Committee of the Whole, meaning, decisions made during its meetings would no longer require being reported back to Council for final approval.

The Acting Mayor of the month in which the Committee of the Whole Meeting is to be held, presides as Chair. No Bylaws can be formally read or adopted in C.O.W.

2014 Select Committees of Council

100th Anniversary Committee

Chair: Lindsay Arcand

Members: Councillor Paula, Councillor Smith, Dustin Doherty, Marie Downing, Leesa Genier, Liz Gilbertson, Margaret Houben, Donna Kibble, Bev Murphy, Shirley Wittner and Harley Wright.

Defined Scope:

The 100th Anniversary Committee focuses on fundraising and preparing of a Heritage Canada Grant Application to facilitate a "Splash in the Past" splash pad commemorating Barriere's upcoming 100th Anniversary as well as the planning of festivities to celebrate the milestone in 2014.

Communities in Bloom

Co-Chair: Councillor Smith **Co-Chair:** Barbara MacManus

Members: Barb Buchanan, Liz Gilbertson, Val Stamer, Dustin Doherty and Ellen Monteith.

1. Council Highlights

- 18 Regular Council meetings were held
- 6 Special Council meetings were held
- 19 Committee meetings were held
- 2 Public Budget Discussion meetings were held
- 1 Public Open House was conducted
- 0 Development Variance Permits (DVP) were submitted.
- 1 Board of Variance Applications (BOV's) was submitted.
- 0 Development Permit Applications were submitted.
- 3 Subdivision applications were submitted.
- 10 Bylaws were passed

2. Building Permits Issued

3. Plans and Grant Applications

The following list shows the status of studies/plans and grants that have been applied for in 2014:

| Planning – Studies/Plans | Status |
|--------------------------|--------|
| A Table Bills Balls and | 0 |

1. Zoning Bylaw Review – In House Complete

| Parks – Grants | | Status |
|----------------|---|--------------|
| 1. | Canadian Heritage Legacy Fund | Not Approved |
| 2. | CN Connextions | Approved |
| 3. | CIPP – Cycling Infrastructure Partnership Program | Pending |

| Public Works – Grants | | |
|-----------------------|---|-------------|
| 1. | Innovations Fund – Wastewater Treatment Plant for the Downtown Core | Underway |
| 2. | General Strategic Priorities Fund – Wells and Reservoir | Shelf Ready |

4. Solid Waste and Recycling Programs

The District of Barriere is committed to our environment and is proud to have been the second community in the area to implement a curbside recycling program. We offer the following services and products to our community members:

- Weekly curbside solid waste removal
- Weekly curbside recycling pick-up
- Household battery recycling
- Household composters (\$25 to purchase)
- Researching and pricing the cost of rain barrels that citizens can purchase

In April of 2013, the Thompson Nicola Regional District closed the Barriere Landfill, indefinitely, and opened the Louis Creek Eco Depot located on Agate Bay Road. Residents are encouraged to use the Blue Bag program as each tonne of recycling is free to haul to the Eco Depot as opposed to garbage that incurs a tipping fee of \$60 per tonne.

In 2014, an amount of 291 tonnes of residential waste &155 tonnes of commercial waste, was collected by the District and hauled to the Eco Depot.

6. Climate Action Charter

Greenhouse Gas (GHG) Emission Reduction

In 2007, the Provincial Government passed Bill 44- the *Greenhouse Gas Reduction Targets Act*- thereby committing the Province to reduce GHG emissions by 33% below 2007 levels by the year 2020 and 80% below 2007 levels by the year 2050. In order to help achieve this commitment, the Province enacted the Local Government *(Green Communities) Statuses Amendment Act* ("Bill 27"). Under this legislation and Section 877(3) of the Local Government Act, Official Community Plans are now required to include targets for the reduction of GHG emissions as well as policies and actions to support the reduction targets.

As signatory to the BC Climate Action Charter, the District of Barriere has voluntarily agreed to develop strategies and take actions to achieve the following goals:

- being carbon neutral in respect of corporate operations by 2012
- measuring and reporting on the community's GHG emissions profile; and
- creating complete, compact, and more energy efficient community

Targets

The Province is providing each local government with a Community Energy & Emissions Inventory (CEEI) report to track and report annual community-wide energy consumption and GHG emissions. Reducing transportation emissions is a challenge in rural communities therefore additional Provincial and Federal Government policies, actions and initiatives will be needed to support the community-wide GHG reduction targets set by the District.

Recognizing the challenges of reducing GHG emissions in rural communities, the District of Barriere sets the following community-wide GHG reduction targets:

- 10% by 2020 from 2007 levels
- 33% by 2050 from 2007 levels

We look forward to working with our community members on these initiatives and hope that by our pledging to the Charter, our residents will be inspired to do their part for the environment as well.

Each year, we are required to audit and report our advancements towards this goal. The Provincial Government provides a rebate to each community involved in the amount of 100 per cent of the carbon costs incurred on fuel purchases. The District of Barriere received a Climate Action Revenue Incentive grant in the amount of \$710.00 for such purchases.

For more information on the Climate Action Charter, please visit www.cd.gov.bc.ca

RECREATION

2014 Goals:

| 1. | Item Secure ownership of lots 34, 35 and 36 from the Province for park facilities | Status In process | Comment |
|----|---|----------------------|---|
| 2. | Plan Downtown Civic Building (including Fire Hall & Rec Centre) | In process | - Old HY Louis building purchased and required roof repairs complete, |

| 2. | Council will increase public knowledge on assessments and taxation | Ongoing |
| 3. | Explore additional ways to further engage the public | Ongoing |

2014 Highlights-Budget Process/ Tax

 A number of Public Meetings provided citizens with an opportunity to comment on the District of Barriere's annual budget

Barriere & District Volunteer Fire Department

The Fire Department consists of a Fire Chief, Deputy Chief, Assistant Deputy Chief, Captains, Safety Officer, Training Officer and approximately fourteen (14) firefighters.

The Department is dedicated to offering the best equipment and training for the firefighters to ensure the safety of our residents and properties.

The First Responder program, managed within the Fire Dept. until recently, have trained volunteers who respond to BC Ambulance dispatched calls in the area when the Ambulance is delayed. Although they have now established themselves as a separate society, they still work closely with the Fire Dept.

The services area of the Fire Department includes a portion of the TNRD Electoral Area O. The Electoral Area pays approximately 35% of the fire service's operating costs.

SUMMARY OF CALLS

| | 2013 | 2014 |
|-----------------------|------|------|
| Fires | 42 | 32 |
| False Alarms | 7 | 0 |
| Fatalities | 0 | 0 |
| Mutual Aid | 2 | 2 |
| Practices | 55 | 51 |
| TOTAL FIRE | 106 | 85 |
| First Responder Calls | 58 | 52 |

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The accompanying financial statements of District of Barriere (the "District") are the responsibility of management and have been prepared in compliance with legislation, and in accordance with generally accepted accounting principles for local governments established by the Public Sector Accounting Board of The Chartered Professional Accountants of Canada. A summary of the significant accounting policies are described in note 1 to the financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The District's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the financial statements. These systems are monitored and evaluated by management.

Mayor and Council meet with management and the external auditors to review the financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the financial statements.

The financial statements have been audited by KPMG LLP, independent external auditors appointed by the District. The accompanying Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the District's financial statements.

INDEPENDENT AUDITORS' REPORT

To the Mayor and Council of District of Barriere

We have audited the accompanying financial statements of the District of Barriere ("the District") which comprise the statement of financial position as at December 31, 2014 and the statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the District's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the District of Barriere as at December 31, 2014 and its results of operations, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Notes to Financial Statements

Year ended December 31, 2014

District of Barriere (the "District") is incorporated and operates under the provisions of the Local Government Act and the Community Charter of British Columbia.

The District provides municipal services to residents of the incorporated area. These include protective services, transportation services, environmental services, development services, water utilities, sewer utilities, parks and recreation, and general government services.

Significant accounting policies:

The financial statements of District of Barriere (the "District") are prepared by management in accordance with Canadian generally accepted accounting principles for governments as recommended by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada. Significant accounting policies adopted by the District are as follows:

(a) Basis of accounting:

The District follows the accrual method of accounting for revenues and expenses. Revenues are normally recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

(b) Revenue recognition:

Property taxes, parcel taxes, frontage taxes, special assessments and grants in lieu of taxes are recognized as revenue in the year in which they are assessable.

Service revenue, such as water and sewer user rates, connection fees, sale of services, and interest and penalties are recognized as revenue in the year the related service is provided.

Investment income is reported as revenue in the period earned.

(c) Government transfers:

Government transfers are recognized in the financial statements as revenues in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made unless the transfer contains stipulations that create a liability in which case the transfers are recognized as revenue in the period that the liability is extinguished.

(d) Investments:

Investments are comprised of term deposits with maturity dates greater than 90 days after acquisition as well as savings accounts. Investments are recorded at cost.

Notes to Financial Statements (continued)

Year ended December 31, 2014

1. Significant accounting policies (continued):

(e) Statutory reserves:

The statutory reserves include various funded reserves to be used to fund specified expenditures, as authorized by Council. These statutory reserves are set up by bylaw under the authority of the Community Charter. Each year Council evaluates the statutory reserve funds, reallocating balances between reserves, from accumulated surplus, and from reserve accounts.

(f) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful lives as follows:

| Asset | Rate |
|--|--|
| Equipment Vehicles Roads and bridges Wastewater infrastructure Waterworks infrastructure Buildings | 5-12 years 10-15 years 50-80 years 60 years 20-100 years 50 years |

No amortization is charged in the year of acquisition or in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

(ii) Contributions of tangible capital assets:

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

Notes to Financial Statements (continued)

Year ended December 31, 2014

Significant accounting policies (continued):

(iii) Natural resources:

Natural resources that have not been purchased are not recognized as assets in the financial statements.

(iv) Works of art and cultural and historic assets:

Works of art and cultural and historic assets are not recorded as assets in these financial statements.

(v) Interest capitalization:

The District capitalizes interest costs associated with the acquisition or construction of a tangible capital asset when they are directly attributable to the asset.

(vi) Inventory of supplies:

Inventories held for consumption are recorded at the lower of cost and replacement cost.

(vii) Land held for resale:

Land held for resale is recorded at the lower of cost and net realizable value. Cost includes amounts for improvements to prepare the land for sale or servicing.

(g) Use of estimates:

The preparation of financial statements in accordance with PSAB requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

Significant estimates include the useful lives of tangible capital assets.

Management reviews these estimates on a periodic basis and, where necessary, makes adjustments prospectively.

Notes to Financial Statements (continued)

Year ended December 31, 2014

1. Significant accounting policies (continued):

(h) Taxes collected on behalf of other agencies:

The District collects taxes on behalf of the Regional District, the Regional Hospital District, British Columbia Assessment Authority, Municipal Finance Authority ("MFA"), and School and Police taxes on behalf of the Province. The taxation, other revenues, expenditures, assets and liabilities with respect to the operations of the Regional District and School Board are not reflected in these financial statements.

2. Cash and investments:

Cash and investments reported on the statement of financial position have costs that approximates market value. Cash and investments consist of the following:

| | 2014 | 2013 |
|---------------------|----------------------------|----------------------------|
| Cash Investments | \$ 195,510 2,017,220 | \$ 236,946 2,665,608 |
| | \$ 2,212,730 | \$ 2,902,554 |

Investments include term deposits and savings accounts that bear interest at rates between 1.05% to 4.00%.

3. Accounts receivable:

Accounts receivable consists of amounts receivables for the following sources:

| | 2014 | 2013 |
|---|---|--|
| Government transfers Property taxes HST/GST Other amounts | \$ 821,173 155,275 222,150 99,939 | \$ 536,184 95,340 184,328 97,248 |
| | \$ 1,298,537 | \$ 913,100 |

Notes to Financial Statements (continued)

Year ended December 31, 2014

4. Deferred revenue:

Deferred gas tax revenue consists of Community Works Funding, which is a portion of Gas Tax funding provided by the Government of Canada. Community works funding may be used towards designated public transit, community energy, water, wastewater, solid waste and capacity building projects, as specified in the funding arrangements.

| | 2014 | 2013 |
|------------------------|------------------|---------|
| Deferred gas tax: | | |
| Opening balance | \$ 338,226 \$ | 216,047 |
| Funding received | 123,147 | 119,457 |
| Revenues recognized | (202,574) | (4,277) |
| Interest earned | 4,373 | 6,999 |
| | 263,172 | 338,226 |
| Prepaid property taxes | 24,682 | - |
| | \$ 287,854 \$ | 338,226 |

Notes to Financial Statements (continued)

Year ended December 31, 2014

5. Term debt:

The District issued debt instruments through the MFA to finance the cost of upgrading waterworks systems. Under the terms of the debt, the District is required to make principal payments once annually while interest is calculated semi-annually and is based on the original debt principal borrowed. Associated with these principal payments, the MFA provides an actuarial adjustment, which is a non-cash reduction in the loan balance representing the investment earnings the MFA expects to realize on each principal payment.

Debt interest charges are recorded as an expense in the period incurred. Principal payments and actuarial adjustments are applied to reduce recorded liabilities.

(a) Changes in term debt are shown below:

| | 2014 | 2013 |
|---|--------------------------------------|---------------------------------------|
| Balance, beginning of year Principal payments Actuarial adjustment of term debt | \$ 93,998 (19,053) (29,191) | \$ 137,668 (19,053) (24,617) |
| Net adjustment | (48,244) | (43,670) |
| Balance, end of year | \$ 45,754 | \$ 93,998 |

(b) Total principal payments required of the District for the next year is as follows:

| 2015 | | \$ | 19,053 |
|------|--|----|--------|

Scheduled debt repayments may be suspended by the MFA if the MFA reasonably anticipates that it has sufficient investment assets to cover the remaining principal and interest repayments of the MFA funding debentures.

Notes to Financial Statements (continued)

Year ended December 31, 2014

6. Tangible capital assets (continued):

(a) Assets under construction:

Assets under construction, consisting of wastewater infrastructure, having a cost of \$5,454,349 (2013 - \$2,428,289) have not been amortized. Amortization of these assets will commence when the asset is put into service.

Assets under construction, consisting of waterworks infrastructure, having a cost of \$96,108 (2013 - \$nil) have not been amortized. Amortization of these assets will commence when the asset is put into service.

(b) Contributed tangible capital assets:

Contributed assets of \$nil (2013 - \$124,000) were recognized during the year.

(c) Works of art and historical treasures:

The District manages and controls various works of art and non-operational historical cultural assets including buildings, artifacts, paintings and sculptures located at District sites and public display areas. These assets are not recorded as tangible capital assets and are not amortized.

(d) Write-down of tangible capital assets:

No write-down of tangible capital assets occurred during the year.

Notes to Financial Statements (continued)

Year ended December 31, 2014

7. Accumulated surplus:

Accumulated surplus consists of individual fund surplus and reserves and reserve funds as follows:

| | 2014 | 2013 |
|-----------------------------------|---------------|---------------|
| Unrestricted surplus | \$ 1,687,706 | \$ 1,207,304 |
| Equity in tangible capital assets | 19,259,994 | 15,998,949 |
| Reserve funds: | | |
| Municipal hall | 55,360 | 25,360 |
| Fire protection | 115,304 | 115,304 |
| First responders | 192 | 192 |
| Roads | 481,420 | 1,133,060 |
| Highway signs | 10,000 | 5.000 |
| Environmental | 47,767 | 37,129 |
| Parks | 16,219 | 16,219 |
| Community hall | 12,000 | 9,000 |
| Louis Creek Industrial Site | 123,246 | 289,677 |
| Water | 53,940 | 53,940 |
| Waste water project | 341,905 | , <u>-</u> |
| Total reserve funds | 1,257,353 | 1,684,881 |
| | \$ 22,205,053 | \$ 18,891,134 |

8. Commitments:

The District has one significant contract for snow removal services with annual payments for the next 2 years as follows:

| 2015 2016 | \$ 212,980 70,993 |
|--------------|-------------------------|
| | \$ 283,973 |

Notes to Financial Statements (continued)

Year ended December 31, 2014

9. Taxation and grants in lieu:

General fund taxation revenues comprises the following amounts raised less transfers:

| | 2014 | 2013 |
|---|---|---|
| Municipal and school property taxes levied Parcel tax | \$ 1,671,477 37,827 | \$ 1,639,606 37,953 |
| | 1,709,304 | 1,677,559 |
| Less: Collections on behalf of other governments: Thompson-Nicola Regional District ("TNRD") Province of B.C School taxes Thompson Regional Hospital District B.C. Assessment Authority Municipal Finance Authority Police taxes Payment in lieu of taxes | 297,933 500,433 92,301 13,355 39 74,771 4,465 | 304,703 509,897 78,078 13,573 39 73,587 4,857 |
| | 983,297 | 984,734 |
| | \$ 726,007 | \$ 692,825 |

10. Government transfers:

The District recognizes the transfer of government funds as expenses or revenues in the period that the events giving rise to the transfer occurred. The government transfers reported on the statement of operations are:

| | 2014 | | 2013 |
|---|---|----|---|
| Innovation Funding (Gas Tax Fund) Small Community Grant TNRD septage receiving contribution New Horizons for Seniors Grant Community Works Funding (Gas Tax Fund) Community Recreation Grant Other grants and transfers | \$ 2,843,858 256,202 151,898 - 202,574 - 4,770 | 69 | 1,924,438 257,807 174,325 20,203 4,277 2,264 22,059 |
| | \$ 3,459,302 | \$ | 2,405,373 |

Notes to Financial Statements (continued)

Year ended December 31, 2014

11. Contingent liabilities:

Under the Local Government Act, all monies borrowed by a Regional District shall be upon its credit at large and shall, in the event of any default, constitute an indebtedness of the member municipalities for which they are jointly and severally liable. Therefore, the District is responsible for its share of any operating deficits or capital debt related to functions in which it participates.

12. Pension liability:

The municipality and its employees contribute to the Municipal Pension Plan (the "Plan"), a jointly trusteed pension plan. The board of trustees, representing plan members and employers, is responsible for overseeing the management of the Plan, including investment of the assets and administration of benefits. The Plan is a multi-employer contributory pension plan. Basic pension benefits provided are based on a formula. The Plan has about 182,000 active members and approximately 75,000 retired members. Active members include approximately 36,000 contributors from local governments.

The most recent actuarial valuation as at December 31, 2012 indicated a \$1,370 million funding deficit for basic pension benefits. The next valuation will be as at December 31, 2015 with results available in 2016. Defined contribution plan accounting is applied to the Plan as the Plan exposes the participating entities to actuarial risks associated with the current and former employees of other entities, with the result that there is no consistent and reliable basis for allocating the obligation, Plan assets and cost to individual entities participating in the Plan.

The District paid \$34,755 (2013 - \$34,263) for employer contributions to the Plan in 2014.

Notes to Financial Statements (continued)

Year ended December 31, 2014

13. Budget:

The Financial Plan (Budget) bylaw adopted by Council on May 13, 2014 was not prepared on a basis consistent with that used to report actual results (Public Sector Accounting Standards). The budget figures anticipated using surpluses accumulated in previous years to reduce current year expenditures in excess of current year revenues to \$nil. In addition, the budget expensed all tangible capital asset additions rather than including amortization expense. As a result, the budget figures presented in the statements of operations and change in net financial assets represent the Financial Plan adopted by Council on May 13, 2014 with adjustments as follows:

| | 2014 |
|---|-----------------|
| Annual surplus - statement of operations | \$ 4,609,453 |
| Adjust for budgeted cash items not included in statement of operations: | |
| Acquisition of tangible capital assets | (4,810,591) |
| Transfer to reserves | 201,138 |
| Total adjustments | (4,609,453) |
| Financial plan balance | \$ A- |

14. Segmented information:

Segmented information has been identified based upon lines of service provided by the District. District services are provided by departments and their activities are reported by functional area in the body of the financial statements. Certain lines of service that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

(a) General government:

The General Government operations provide the functions of Building Services and Maintenance, Corporate Administration, Finance, Human Resources, Legislative Services and any other functions categorized as non-departmental.

(b) Protective services:

Protective Services is comprised of fire protection, emergency services, building inspection services and bylaw enforcement services.

Notes to Financial Statements (continued)

Year ended December 31, 2014

14. Segmented information (continued):

(c) Transportation services:

Transportation Services is responsible for roads and snow removal within the District boundaries.

(d) Environmental services:

The Environmental Health Department consists of landfill maintenance and garbage collection and processing.

(e) Parks and recreation:

Parks and recreation is responsible for parks and playgrounds, recreation programming, cemetery services, and cultural buildings and programs.

(f) Water utility:

The District is responsible for environmental programs including the engineering and operation of the potable water system.

(g) Sewer utility:

The District is responsible for environmental programs including the engineering and operation of the wastewater system.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the presentation of segmented financial information. The accounting policies used in these statements are consistent with those followed in the preparation of the financial statements.
