

# BABIES OF 2019 & 2020 PARTY

If your baby was born in 2019 or 2020, you're invited!!

Yellowhead Community Services is hosting an afternoon lunch to bring together all Barriere and area parents with babies born in 2019 & 2020. We personally invite you, your baby and family to join us for the Baby Party. You will have the opportunity to meet the other parents and babies whose futures will be shaped along with yours as they grow and become part of the community. Through the developing years, from baby to teenager, your lives will continue to touch through the common bond your babies all share – born in 2019 & 2020!

During the free catered luncheon (and birthday cake!) you will have an opportunity to meet community service providers and other families and children from our Community. Siblings are welcome to come and have lunch and join in the fun! There will also be small gift bags and Door Prizes!
