Good morning,

Frank would like to have a brief meeting with the mayor and council. The idea is for Frank to meet the new members and have a pre-budget consultation to hear about what priorities they may have for the upcoming federal budget. We are thinking about 45 minutes but could go up to an hour if you all think that is better.

Is there a time on Jan 11 from 9-12 or from 130-430 or on Jan 12 from 8-930 or 2-430 that would work? Please send me a couple of options if possible.

Happy new year.

Kind regards,  
Clare Cyr
