Subject: Request to Include BCMCLC Workshop at SILGA EOS (Jan. 25, 2019) as Info Item on Next Council Meeting Agenda

Dear Tasha,

The BC Municipal Climate Leadership Council and Community Energy Association are hosting a workshop related to climate action planning after the SILGA Elected Official Seminar at the Delta Grand Okanagan Resort in Kelowna on January 25, 2019. We would appreciate it if you could include the details of the workshop as an information item on your next council meeting agenda OR directly email the details of this event to your Mayor and Councillors (see below).

How can you support climate action and clean growth in your community?

Join the BC Municipal Climate Leadership Council (BCMCLC) and the Community Energy Association for an interactive workshop on the topic of climate action immediately following the SILGA Elected Official Seminar. The workshop will be held from 2:45-4:45 pm on January 25 in the Columbia Room at the Delta Grand Okanagan Resort.

Who is it for? This workshop is for newly elected officials to learn about the roles of local governments in climate and energy planning as well as project and program implementation. It is also for returning elected officials to receive a refresher and updates on federal and provincial government initiatives and emerging opportunities for local governments to take action on climate change.

Learn about:

- the roles of local and senior governments;
- the foundations of community energy planning;
- key actions for the building, transportation, waste and energy sectors; and
- reporting and recognition for local government climate action.

Get inspired by case studies from leaders in your region and discuss strategies with your peers in small breakout group sessions.

Kind Regards,
Susan
