Re: DRAFT 2026 Revenue Anticipation Borrowing Bylaw No. 262	
<u>Recommendation:</u> THAT Council give first three readings to the 2026 Revenue Anticipation Borrowing Bylaw No. 262	

Purpose

To renew the annual revenue anticipation borrowing bylaw which is required annually in order to permit a municipal government to possess a bank overdraft agreement. The 2025 Revenue Anticipation Borrowing Bylaw No. 252 was adopted in February of 2025 for the 2025 calendar year. The attached draft bylaw applies to the year 2026 and is presented to Council for consideration and first three readings.

Background

Section 177 of the *Community Charter* (Revenue Anticipation Borrowing) gives municipalities the authority to borrow money to meet operational cash flow shortfalls between the beginning of the year and the receipt of property taxes or monies from other governments. Any funds that are borrowed must be immediately repaid as these amounts are subsequently received.

The maximum amount the District can borrow under Section 177 of the *Community Charter* is the total of all unpaid taxes for all purposes, imposed during the current year, and the money remaining due from other governments. If the annual property tax bylaw has not been adopted, as is the case here, the taxes are deemed to be 75% of municipal property taxes imposed for all purposes in the previous year, along with the sum of money remaining due from other governments. The 75% limit for 2026 from the 2025 municipal property taxes collected in the amount of \$1,154,272 would be approximately \$865,704, which when added to the District's annual small community grant of \$421,000, the maximum limit the District can set to borrow in this bylaw, is \$1,286,704. The \$750,000 amount once again proposed in this bylaw is therefore substantially below the 75% limit set by the *Community Charter*.

With adopted Bylaw No. 252, the District established an operating line of credit with the local Credit Union for this purpose. Staff are recommending to continue with this agreement with the local Credit Union for 2026 as the interest rates are moderately comparable and the process is simpler. The interest rate offered by the Beem Credit Union is Prime minus 0.5%.

Although staff do not anticipate a need to borrow any funds to cover normal operations, the adoption of an annual Revenue Anticipation Bylaw is a requirement for the District to continue the operating loan (overdraft) agreement with the Beem Credit Union. The attached Draft Bylaw No. 262 is the District's proposed 2026 *Revenue Anticipation Borrowing Bylaw* for this \$750,000 operating line of credit. Going forward, this will continue to be an annual bylaw adoption process as required by the *Community Charter*, most likely to be included for Council consideration by November/December each year.

Benefits or Impacts

General

This bylaw is a statutory and contractual requirement for the District to continue the operating loan and overdraft arrangement with Beem Credit Union.

Finances

With an already established operating loan agreement with Beem Credit Union in place for a \$750,000 line of credit, keeping this lending facility in place will ensure the overall operations of District services can continue without interruption should it be necessary due to any unexpected low cash flows.

Strategic Impact

Risk Assessment

Compliance:

This is an annual bylaw which is authorized under Section 177 of the Community Charter and will fulfil the requirement of a banking agreement with the Credit Union.

Risk Impact:

Moderate. Adoption of this bylaw is necessary if the District wishes to continue with its overdraft and operating loan with the Credit Union as required annually in order to maintain the agreement.

Internal Control Process:

Staff will need to provide the Credit Union with a copy of the bylaw upon adoption.

Next Steps / Communication

Staff will provide the Credit Union with a copy of the bylaw upon adoption.

Recommendation

THAT Council gives 1st, 2nd and 3rd readings to 2026 Revenue Anticipation Borrowing Bylaw, No. 262

Alternative Options

1. Council could choose not to give this bylaw first three readings. In that case, the District would not have an overdraft facility on its operating account and would not be able to take advantage of operational short-term borrowing if it became necessary to do so.
