**RE: 2023 CEPF: Disaster Risk Reduction-Climate Adaptation (Feb intake) – C1:
Leonie Dam Decommissioning Study**

Dear Mayor Kerslake and Council,

Thank you for providing a final report and financial summary, dated June 29, 2026, for the above-noted project. We have reviewed your submission and all reporting requirements have been met.

The final report notes a total eligible expenditure of \$150,000.00. Based on this, a payment in the amount of \$75,000.00 will follow shortly by electronic funds transfer. This amount represents full payment of the grant and is based on 100% of the total reported eligible expenditure (to a maximum of the approved grant of \$150,000.00) minus the initial payment of \$75,000.00 issued in July 2023.

I would like to congratulate the District of Barriere for undertaking this project and responding to the opportunity to increase the resiliency of BC communities.

If you have any questions, please contact the Community Emergency Preparedness Fund at 250-952-9177 or cepf@ubcm.ca.

Sincerely,
