Subject: Lower North Thompson Tourism Society Letter of support from the District of Barriere in their 5-year, 3% MRDT renewal application to Destination BC

Bob: As discussed, and emailed previously, have you been able to have Mayor and Council approve supporting the Lower North Thompson Tourism Society (LNTTS) application to Destination BC for a further 5- year renewal of the 3% MRDT (Hotel tax) the LNTTS collects to operate and market the Lower North Thompson Area (District of Barriere and TNRD Areas O and P)? We are seeking TNRD board approval today for Area O and P with full approval from the Directors of each area. We are required to make the renewal application to Destination BC one- year in advance of the LNTTS 5- year renewal date of February 1, 2025. The renewal Application is due January 2023, with supporting documents from TNRD and District of Barriere are to be included as well as the approvals of 56.8% of the rooms/cabins and 58.82% of the accommodation operators (this is complete). We look forward to hearing from you at your earliest convenience.

Yours truly:

Lorne Richardson,
Marketing Coordinator,
