Dear Mayor Ward Stamer and City Councilors,

I want to first congratulate all of you on your election or re-elections, and also thank those who did not run or were unsuccessful, your service is appreciated and honourable.

As we reflect on our week at UBCM and the relationship we have built over the past years with you and your communities, we are grateful for the connection, engagement and collaboration between all levels of government and stakeholders. We appreciated the opportunity to meet with so many mayors, councilors, and community leaders, and we hope you had a chance to visit our booth.

In case you missed it, we invite you to check out the following website link with documents that were available at our booth and explore the versatile skillset that uniquely qualifies paramedics to address public safety, emergency first response, patient transportation and community-based health innovation across BC.

[UBCM – Paramedic Services in your Community](#)

I am reaching out today to extend an invitation to you to set a time to meet and follow-up on the initiatives and solutions available to your community and address paramedic, dispatch, and ambulance resources.

At your earliest convenience please contact our office by phone at 604-273-5722 or by email at info@apbc.ca or troy.clifford@apbc.ca.

I look forward to connecting with you, virtually or in person, and continuing to work collaboratively to support paramedic services in your community.

Sincerely,

Troy Clifford
