Notes:

1 2021 and 2016 population

Statistics Canada is committed to protect the privacy of all Canadians and the confidentiality of the data. The adjustment to counts of the total population for any dissemination block is controlled to ensure that the total population remains the same as in the previous census.

2 Total private dwellings

Private dwelling refers to a separate set of living quarters with a private entrance either from the street or from another building.

3 Private dwellings occupied by usual residents

A private dwelling occupied by usual residents refers to a private dwelling in which a person usually resides or has a usual residence.
