RECEIVED

Mayor, & Council for the District of Barriere
June 15, 2022

Hello to everyone,

I would like to know if it's possible to get a flashing light at the crosswalk by the church, & entrance to Fadear Park? This crosswalk is used by a lot of people going to the park, & seniors centre.

People refuse to stop for pedestrians trying to cross, or if we are in the crosswalk 1 vehicle might stop but most times a vehicle going in the opposite direction will not. I have contacted the RCMP on four different occasions but so far nothing has been done.

I am also inquiring about the deplorable condition of Barriere cemetery, and wondering when is this going to be rectified? Headstones are sunk, ground has sunk in several places, & ground is so uneven its hard for people with disabilities to walk in there.

I am the manager of Riva Ridge M.H.P. and I get about 5 calls a week, and people coming looking for places to rent, as renting mobiles is not allowed in our park, at one time there was talk of an apartment going to be built in Barriere when/if is this going to happen?

Thank you for your time in considering my request.
