<b>Re: Louis Creek Industrial Park 2021 Budget</b>	

**Background:** The Louis Creek Industrial Park budget is forever growing, and more expenditure line items are being created.

**Discussion:** When creating the 2021 Louis Creek Industrial Park budget a line item for advertising was missed resulting in the budget not being balanced by \$1,000.

**Recommendation:**

**That \$1,000 be transferred from the Louis Creek Reserve Account to the Louis Creek Advertising line item in order to balance the 2021 budget.**
