

BARRIERE OUTDOOR CLUB

April 5th, 2023

Calling on all businesses and organizations.

As you may be aware, the Barriere Outdoor Club is trying to reintroduce and revitalize the BOC Amazing Race. We had to postpone the event from October, 2022 to Sunday, May 28th, 2023. We are challenging all businesses and organizations throughout the North Thompson valley to join in on the fun. Grab a colleague and race against other teams.

The Amazing Race is a fun, competitive challenge in which you race around the trails at the Barriere Forks trails and complete a number of tasks with a partner. Our event's theme this year is Carnival Fun. There will be prizes, lunch and team costume prizes, along with the race itself. Information can be found at <https://barriereoutdoorclub.weebly.com/>

The race will have different start times for different divisions, but it's best to be ready by 9am.

Details
